Please check one of the following boxes:

If the property is NOT in a floodplain:

- I, as a Local Floodplain Representative for my jurisdiction, verify that according to the maps provided by the National Flood Insurance Program (NFIP) and available to my local entity, the property listed above does not appear to be in the Special Flood Hazard Area (SFHA) or in a designated FEMA Flood Zone A or AE. I do not verify the establishment or confirm the location of SFHA floodplain areas with respect to property limits or structures.

If property, or a portion of the property, IS in a floodplain:

- I, as a Local Floodplain Representative for my jurisdiction, cannot verify that according to the maps provided by the National Flood Insurance Program (NFIP) and available to my local entity, that the property listed above does appear to be in the Special Flood Hazard Area (SFHA) or in a designated FEMA Flood Zone A or AE. I do not verify the establishment or confirm the location of SFHA floodplain areas with respect to property limits or structures.
- Based on the information available to me as a Local Floodplain Representative for my jurisdiction, I recommend that a safe room not be installed on the property due to the property's location.

LFR Signature: _____

Applicant, if your property IS in a floodplain, contact nctsaferoom@nctcog.org or 817-695-9293 for additional information.

Note: SFHA's on NFIP maps are not a guarantee that any particular location is not subject to inundation, only that it is denoted as reasonably safe from flooding.
