*I, as a Local Floodplain Representative for my jurisdiction, verify that according to the maps provided by the National Flood Insurance Program (NFIP) and available to the local entity, the property listed above does not appear to be in the Special Flood Hazard Area (SFHA) or in a designated FEMA Flood Zone A or AE. I do not verify the establishment or confirm the location of SFHA floodplain areas with respect to property limits or structures.*

*Note: SFHA's on NFIP maps are not a guarantee that any particular location is not subject to inundation, only that it is denoted as reasonably safe from flooding.*
